

KARNATAKA

monsoon Trip

WHY KARNATAKA SHOULD BE YOUR NEXT MONSOON TRIP

Jog Falls: India's second-highest waterfall with a single plunge of 830 feet

Murudeshwar: World's second tallest Shiva statue, near the roaring arabian sea

Yana: Unique karst rock formations, surrounded by lush green rainforests of western ghats

Vibhuti: is a surreal waterfall located in the deep forest associated with legendary stories
