DARK GREEN
ADVENTURES

3 DAY HERITAGE TRIP

Dates: 26th Oct ; 23rd Nov

₹13,999

SCHEDULE

Day Zero

- Board 11139 CSMT-HPT Express from CST, Thane or Pune

Day One

- Reach Sanapur and freshen up
- Coracle ride in Sanapur lake
- Visit Ajanadri hills, watch the sunset
- Go cafe hopping at night

Day Two

- Explore ancient temples and ruins of Vijayanagra Empire
 - Relish local south indian meals
 - Back to the hotel for a fun filled evening
- 

Day Three

- Leave for Badami in morning
- Visit Banashankari temple on the way
- Visit a couple other temples in Badami
- Enjoy a delicious lunch
- Board the train and reach Mumbai early the next day

Hampi has a unique musical feature: the pillars of the Vittala Temple produce musical notes when tapped. These "musical pillars" are a fascinating example of the advanced craftsmanship and acoustic engineering of ancient Indian architecture.

**FUN
FACT**

darkgreenadventures

The background of the entire page is a photograph of ancient stone ruins in Hampi, India. On the left, there is a large, multi-tiered temple structure with intricate carvings and a flat roof. In the foreground, there are several large stone sculptures, including two prominent elephant statues. To the right, a long, low structure with a series of columns is visible. The ground is paved with large, light-colored stone tiles.
